

Austrian Mobile Cable Tray Manufacturer

Article Overview

Austria hosts several specialized manufacturers of mobile and industrial cable trays, including SCArA-Tec, GEOplast, PENGG KABEL, and Jeetmull Jaichandlall, offering high-quality solutions for industrial and plant construction.

Key Manufacturers

SCArA-Tec SCArA-Tec focuses on industrial electrical installations and assembly, providing walkable cable tray systems primarily used in plant construction and the automotive industry. Their trays are made from durable materials, typically 2 mm thick, designed to support heavy loads and facilitate mobile or flexible installation in industrial environments . GEOplast GEOplast is an Austrian company that develops customized cable tray solutions for various applications. They emphasize high-quality production and collaboration with clients to tailor trays to specific industrial or plant requirements, including polymer-based and modular systems . PENGG KABEL PENGK KABEL specializes in the production of cable infrastructure components, including cable trays, at two Austrian production sites. They serve a wide range of industries, ensuring compliance with electrical standards and providing complete solutions for cable management . Jeetmull Jaichandlall (P) Ltd. This manufacturer offers a variety of cable trays in different sizes, shapes, and colors, with a focus on high-quality finishing and adherence to industry standards. Their on-site manufacturing facility uses modern equipment and advanced technology to produce durable and versatile cable trays suitable for multiple sectors .
