

Bolivian electrical distribution box manufacturer s custom price

Article Overview

Electrical distribution boxes in Bolivia are available from local suppliers like Bolivian Electric, with prices ranging approximately from \$500 to \$700 per unit for standard models.

Key Suppliers

Bolivian Electric is a major importer and distributor of electrical materials in Bolivia, offering a wide range of products for high, medium, and low voltage applications. They provide certified, high-quality distribution boxes and technical support for installation and testing . Their catalog includes both standard and custom solutions suitable for industrial, commercial, and residential use. Other suppliers listed on platforms like Go4WorldBusiness offer bulk purchasing options with negotiable prices, typically ranging from \$500 to \$700 per piece (CIF) for standard electrical distribution boxes . Smaller or specialized boxes may be available at lower prices, around \$150 to \$200 per piece, depending on specifications and shipping terms .

Product Specifications

- Material: Metal enclosures with galvanization or powder coating for durability and corrosion resistance.
- Sizes: Common sizes include 30x30x20 cm and 50x50x20 cm, with IP65 protection for outdoor or industrial environments .
- Applications: Suitable for low-voltage distribution systems in factories, substations...
