

Cambodian Well Logging Optical Cable Manufacturer

Article Overview

WCFO (CAMBODIA) CO., LTD is a leading Cambodian manufacturer of fiber optic cables, offering a wide range of optical connectivity solutions suitable for industrial and well logging applications.

Key Manufacturers and Suppliers

WCFO (CAMBODIA) CO., LTD Founded in 2020, WCFO specializes in producing high-performance fiber optic cables and exporting them internationally to Asia, Australia, Europe, and America . Their product range includes intelligent, versatile, and high-density optical racks, patch panels, attenuators, adaptors, splitters, WDM solutions, and custom cable assemblies with various connector types such as LC, SC, E2000, and MPO . WCFO's expertise in fiber connectivity, sheet metal, and injection-molded plastic designs allows for flexible manufacturing and integration of multiple technology platforms, which can support well logging and other industrial optical applications . Optima Global Tek Established in 2010, Optima Global Tek is a leading distributor of data and telecommunication products in Cambodia. They provide fiber splicing services and network testing solutions, sourcing products from internationally recognized brands . While primarily focused on network infrastructure, their offerings include optical cables and related services that may support specialized applications like well logging. CFOCN (Cambodia Fibre Optic Communication Networks Co., Ltd) CFOCN, a subsidiary of Shenzhen-based HyalRoute Group, is involved in large-scale underground fiber optic cable projects across Cambodia . They focus on high-capacity optical networks and have experience in drilling and installing fiber optic cables acr...
