

Congo roadside electrical distribution box manufacturer

Article Overview

Key manufacturers and suppliers of electrical distribution boxes in the Congo include E-abel, Congo Energy, Langsung Electric, and Congo Cables & Transformers.

E-abel

E-abel specializes in customized power cabinets designed for African operating environments, including roadside and industrial applications. Their distribution boxes are made from high-quality cold-rolled steel with anti-corrosion treatments, ensuring durability under high temperatures, humidity, and dust conditions. The internal layouts are optimized for intelligent controllers, interlock devices, and protection components, making them suitable for low-voltage power distribution systems in both indoor and outdoor settings, compliant with IEC standards .

Congo Energy

Congo Energy is a Congolese company that designs, produces, and installs bespoke electrical infrastructure, including distribution and transformer stations. They are certified partners of Schneider Electric and distributors of PRAMAC generator sets, Beka Schröder lighting solutions, and Sunna Design solar products. Their offerings include tailor-made distribution solutions for industrial, commercial, and public infrastructure projects, with a focus on reliability, efficiency, and compliance with international standards
