

Hot-swappable power distribution unit cold aisle 42U manufacturer

Article Overview

Jiangsu Datang Weishi Technology Co., Ltd and Guangzhou Getwell Electronics Co., Ltd are notable manufacturers offering 42U cold aisle containment racks with integrated hot-swappable PDUs.

Jiangsu Datang Weishi Technology Co., Ltd

This Chinese manufacturer specializes in network server cabinets and smart remote-managed PDUs suitable for 42U cold aisle racks. Their products are constructed from cold-rolled steel for durability and support full customization. They provide hot-swappable, modular power distribution units integrated with their cabinets, ensuring easy maintenance and minimal downtime. The company holds ISO9001, ISO14001, and RoHS certifications, and their solutions are widely exported to the United States, Switzerland, and Thailand .

Guangzhou Getwell Electronics Co., Ltd

Getwell offers self-contained 42U smart cabinets designed for micro data centers, featuring integrated cooling, power distribution systems, rack UPS, and battery packs. Their PDUs are modular and hot-swappable, allowing seamless replacement without shutting down the rack. The cabinets are built with high-quality steel, reinforced frames, and secure front/back doors, and the company follows ISO9001 quality management standards. Getwell emphasizes R&D and provides solutions suitable for office, warehouse, or production environments
