

Luxembourg 3-Year Warranty QSFP Optical Switch

Article Overview

QSFP+ optical switch modules with a 3-year warranty are available in Luxembourg, offering high-speed, reliable data transmission for data centers and enterprise networks.

Overview

QSFP (Quad Small Form-factor Pluggable) optical transceivers are widely used for high-speed networking, supporting 40G, 100G, and higher data rates. In Luxembourg, suppliers like Kocent Optec provide access to QSFP+ and QSFP28 modules suitable for financial institutions, EU organizations, and tech companies, ensuring ultra-low latency and high-capacity fiber connectivity. These modules are critical for maintaining uptime in Tier IV data centers and high-frequency trading networks.

Key Features of 3-Year Warranty QSFP Modules

- **Compliance:** QSFP+ modules adhere to the QSFP+ Multi-Source Agreement (MSA) and IEEE 802.3ba 40G Ethernet standards.
- **Compatibility:** Cisco-compatible and suitable for various network switches and storage networks.
- **Performance:** Supports high-speed data transmission up to 40 Gbps with a maximum reach of 150 meters to 150 km depending on the model.
- **Digital Diagnostic Monitoring (DDM):** Provides real-time monitoring of optical power, temperature, and voltage....
