

Malaysia Lighting Distribution Box Manufacturer

Article Overview

Sin Lian Wah Lighting, MS Lighting, Sirijaya, and LED Vision are key lighting and electrical distribution solution providers in Malaysia.

Leading Manufacturers and Distributors

1. Sin Lian Wah Lighting (SLW) Established in 2003, SLW is a prominent distributor of electrical and lighting products in Malaysia. They provide wiring devices, MCB circuit breakers, and electrical distribution solutions from brands like Schneider, MK Electric, Eaton Industries, and UMS Neiken. Their products are suitable for both residential and commercial applications, offering durable, energy-efficient, and flexible distribution designs to safely transfer power and manage electrical loads . 2. MS Lighting (M) Sdn Bhd Founded in 2009, MS Lighting is a market leader in the Malaysian lighting industry, serving the B2B sector. They have an extensive network of distributors across Malaysia, providing a wide range of lighting solutions suitable for commercial and industrial projects . 3. Sirijaya Metal Sdn Bhd Sirijaya, established in 1983, manufactures fluorescent light fittings, lamp holders, and starter holders, and also specializes in electric cable trunking, cable support systems, and integrated ceiling systems. Their products meet ISO 9001 quality standards, making them a reliable choice for both domestic and overseas markets . 4. LED Vision Sdn Bhd Operating since 2000, LED Vision focuses on LED-based lighting products and smart city solutions. They provide energy-efficient LED lighting, dynamic displays, and robust traffic lights, along with IoT-enabled solutions for urban environments. Their offerings are suitable for commercial, industrial, and municipal applications
