

Price Inquiry for Vertical Cable Trays in Sweden

Article Overview

Vertical cable tray prices in Sweden vary depending on material, size, and supplier, with Nordic Wire Tray, Wibe Group, Ahlsell, and Øglænd System being key providers.

Key Suppliers and Product Options

1. Nordic Wire Tray (NWT/X-Tray) NWT offers a wide range of wire trays and cable ladders suitable for vertical installations. Their X-Tray system is designed for high-quality, cost-effective, and easy installation, with options for stainless steel, galvanized, and custom surface treatments. Vertical trays can be cut, bent, and adapted to project-specific requirements, reducing installation time and labor costs .
2. Wibe Group Wibe provides robust cable ladders and mesh trays that can be used both horizontally and vertically. Their systems are suitable for commercial, industrial, and offshore applications, offering flexibility in height, width, and load capacity. Accessories and fittings are available to ensure stable and compact installation .
3. Ahlsell Ahlsell supplies cable ladders and trays in standard lengths (3 m and 6 m) with various mounting options. Their products are suitable for industrial, commercial, and educational environments, and they offer accessories like angle brackets, T-screws, and spacer kits for vertical mounting .
4. Øglænd System Øglænd System provides cable trays in stainless steel, galvanized steel, aluminum, and FRP/GRP composites, with different heights and widths for vertical installations. Their trays feature slot patterns for easy positioning of cables and accessories, making them suitable for both onshore and offshore projects
