

Price of popular MPO connectors for New Zealand power distribution automation

Article Overview

MPO connectors in New Zealand typically range from NZD 50 to NZD 400 per unit or cassette, depending on type, fiber count, and industrial-grade specifications.

Overview of MPO Connector Types

- Field MPO Connectors
 - Available from suppliers like Mouser Electronics, these connectors are designed for on-site termination and flexible deployment in power distribution networks .
 - Prices generally start around NZD 50-100 for standard field MPO connectors, with higher-end versions for low-loss or high-performance applications costing more.
- MPO-LC/SC Cassettes
 - Preterminated cassettes, such as DYNAMIX MPO SM 12 Port LC Duplex 24 Fibre Cassette, are suitable for backbone interconnections and high-speed applications up to 100G .
 - Typical pricing ranges from NZD 200 to NZD 400 per cassette, depending on fiber count, polarity type, and connector quality (Standard vs Elite).
- Industrial-Grade MPO Connectors
 - Suppliers like Phoenix Contact offer MPO connectors designed for real-time data transmission in intelligent power grids, supporting up to 72 fiber connections per rack unit .
 - These industrial-grade connectors are more robust and weather-resistant, with prices often above NZD 300, reflecting their suitability for outdoor and semi-industri...
