

Slovakian aluminum cable tray prices

Article Overview

Aluminum cable trays in Slovakia are available from multiple suppliers, with prices influenced by size, type, and finish, typically ranging from moderate to premium depending on specifications.

Overview of Suppliers

Several companies in Slovakia offer aluminum cable trays, including TRUNJ, Eurotray, and CABLElink Slovakia, providing solutions for industrial, commercial, and specialized applications . These suppliers offer a variety of tray types such as ladder trays, perforated trays, and solid-bottom trays, often with optional covers and accessories for bends, T-junctions, and reducers .

Factors Affecting Price

- **Material and Finish:** Aluminum trays are generally more expensive than galvanized steel but lighter and corrosion-resistant. Anodized or powder-coated finishes can increase cost.
- **Tray Type and Size:** Ladder trays for heavy-duty cables cost more than perforated or solid trays for lighter loads. Width, height, and length of the tray sections directly affect pricing.
- **Accessories:** Covers, bends, T-pieces, and reducers add to the total cost. Custom or reinforced trays are priced higher.
- **Supplier and Volume:** Bulk orders or direct purchases from manufacturers like Eurotray or TRUNJ may reduce unit costs, while smaller orders from distributors may be more expensive
