

South African optical distribution box manufacturer

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. Allbro supplies key components that are used in almost every locally made transformer. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades. offering an unbeatable customer experience. This experience is developed through quality products choice. Manufacturers of Low Voltage Polyethylene, Glassfibre & Steel Metering and Distribution Kiosks and Enclosures. We are specialize in producing distribution box, electric box, powr distribution box, Cable. Whether you order electrical distribution boards, kiosks, boxes, circuit breakers or OEM spec'd LV switchgear from our stock or from our factory, our ISO 9000 certification and success record in most of SA's top 10 reticulation projects assure you of proven safety, quality, on-time delivery and.
