

West Africa Main Optical Cable Fiber Fusion Machine Manufacturer

Overview

YOA Cable is a joint venture between Chinese -owned Yangtze Optical Fibre and Cable Joint Stock Limited Company (YOFC) and JSE-listed Mustek Limited. It moved to the state-of-the-art 14 000m2 factory from a smaller rented facility where it has operated in the zone since 2016. Our vision is to become the leading solution provider in Fiber Optic communication system by providing Leading Brands and 'state of the art' services. Our Team is. ZORA, under Changzhou Shenghao Intelligent Technology Co. With over 30 years of expertise, ZORA has evolved from a domestic Chinese leader into a global supplier, operating in more than 150 countries and. YOA Cable, Africa's largest optical fibre cable manufacturer, is known for delivering world-class optical fibre products and exceptional customer service. We anticipate market needs, innovate and constantly refine our manufacturing processes and products to deliver faster speeds and more flexible. LTS Group supply all the hardware necessary to build fibre networks and power them. Whether that's the cables, the machinery needed to install, or the monitoring & maintenance devices. With an extremely low splicing loss, its application for the construction of trunk lines and FTTx connections is incredible.
