

Where can I find long-span cable trays in Gabon

Article Overview

Long-span cable trays for industrial and infrastructure projects in Gabon can be sourced from international manufacturers, distributors, and B2B marketplaces that ship to the region.

International Manufacturers and Suppliers

- Tongyang Electric – Offers long-span cable trays designed for heavy-duty industrial applications, including petrochemical, mining, and power sectors. These trays provide high load capacity and structural durability for both indoor and outdoor installations, as well as underground projects like subways and civil defense systems .
- OBO Bettermann – Provides wide-span cable trays suitable for large-scale cable management in industrial and commercial projects. Their systems are engineered for flexibility and long-distance cable routing .
- ABB – Supplies a broad range of cable tray systems, including perforated trays, cable ladders, and channel trays. ABB's products are reliable, adaptable, and maintainable, with production facilities in Canada and Saudi Arabia capable of supporting international projects .
- Atkore International and Other B2B Marketplaces – Platforms like Tradewheel.com and B2B supplier directories list manufacturers of galvanized, fiberglass, and stainless steel cable trays. These platforms allow you to customize orders and arrange international shipping to Gabon .
