

Which domestic manufacturer makes relay protection testers

Article Overview

PONOVO, Wuhan Fulude Power Equipment, and Wuhan Longdian Electrical Equipment are leading domestic manufacturers of relay protection testers in China.

Key Domestic Manufacturers

1. PONOVO PONOVO is recognized as the first protection relay test set manufacturer in China, with over 20 years of experience supplying more than 20,000 relay test kits domestically and internationally . Their product range includes:

- 6-phase, 3-phase, and single-phase relay test sets
- Testing for electromagnetic, solid-state, numerical, microcomputer, and IEC61850 digital relays
- Advanced models like PW636i-F and PW366Ai, which support both conventional and IEC61850 testing

• L336EXi series portable digital protection relay testers PONOVO also provides PowerTest Int V7.0 software for universal testing across multiple models. 2. Wuhan Fulude Power Equipment Engineering Co., Ltd. Located in Wuhan, Hubei Province, Fulude specializes in relay protection testers, grounding resistance testers, and electric energy meter testers . Their offerings include:

- High-precision relay protection testers for industrial and substation applications
- Equipment for installation, maintenance, and testing of power facilities
- Comprehensive technical support and R&D services

3. Wuhan Longdian Electrical Equipment Co., Ltd. Also based in Wuhan, Longdian manufactures relay protection t...
